Wright Flood Policyholders with Damage Urged to Open a Flood Claim

Brief: *Wright Flood policyholders with flood damage are urged to keep their family safe then open a flood claim immediately online at www.wrightflood.com, or through their flood agent, or over the telephone at 800-725-9472. Please provide your current telephone contact information so adjusters can help you begin to recover. Once the claim has been opened, the adjuster will contact you to view your property damage as soon as the area is deemed safe.*

Wright Flood Policyholders with Damage Urged to Open a Flood Claim

During the current flood emergency in Louisiana, Wright Flood policyholders and agent partners are encouraged to keep their families safe and abide by evacuation and safe return announcements. As soon as possible, please open a flood claim either:

- through www.wrightflood.com
- by calling your flood insurance agent,
- by reaching Wright Flood Claims Dept. by telephone at 1-800-725-9472

Please provide a reliable method to reach you by telephone and by mail, especially during any evacuation. As soon as the area is deemed safe, a flood claims adjuster will reach you by telephone to schedule a visit to view your property and assist you in your recovery.

To open your claim online: Enter your 14 digit policy number and your property's zip code to complete the initial claim form to include reliable methods to reach you. At completion you will receive a claims number and adjusting company contact information for your future use.

Flood policy resources: The [NFIP Claims Handbook](#) may be a helpful resource, as well as the [NFIP Summary of Coverage](#). You may reference your [NFIP policy forms](#) at the link or at www.wrightflood.com/property-owners page.

About Wright Flood: Wright Flood writes more federal flood policies in the state of Louisiana than any other flood provider.
